

REMARKS

This preliminary amendment is being filed to modify the Brief Description of the Drawings in the specification to correspond with the numbering of the replacement formal drawings sheets. As noted above, to ensure adequate text size, many of the screen shot figures have been split over two sheets, necessitating the above change to the specification. No new matter has been added.

An early and favorable action on the merits is requested.

Dated: April 5, 2004

Respectfully submitted,

By Joseph W. Ragusa
